

‘IMI HALE NATIVE HAWAIIAN CANCER NETWORK PRESENTS:

HO'ŌKELE I KE OLA CANCER PATIENT NAVIGATION TRAINING

This **FREE** 6-day, 48-hour course enhances the service delivery skills of those who work with patients who have cancer. It features:

- An intensive training format spread over three weeks to minimize time away from responsibilities
- Tours, interactive learning, network building and lectures
- Focuses on: cancer knowledge, cancer services and care providers, and communications with patients, families and providers

Scholarships for travel and accommodation may be available for neighbor island participants.

Register by Thursday, February 16, 2012.
Space is limited!

Please complete the attached registration form fax to
Jermy Domingo at (808) 597-6551 or
email hookele@papaolalokahi.org by **February 16, 2012.**

If you have any questions, please contact
The Ho`okele i ke Ola Team at
hookele@papaolalokahi.org or 808-526-1700.

**To get the most out of training, we suggest reviewing the following Anatomy and Medical Terminology tutorials:*
